Eugene, OR

Lane Community College

OPEN SOURCE PROJECTS

I very much enjoy working with developers on open source.

Speed Up America: <https://github.com/Hack4Eugene/SpeedUpAmerica>

Ongoing Open Source Hack for a Cause challenge. Contributions include mentoring a new team to this iteration of the project, approving pull requests, documentation.

IDX Broker WordPress plugin: <https://github.com/idxbroker/wordpress-plugin>

Ongoing Open Source plugin for IDX Broker integration. Contributions include making this open source project, gathering third parties to contribute, and code commits.

Eugene Web Devs: <https://eugenewebdevs.com/>

A monthly meet up for engineers to publicly speak on areas of experience or new technologies. Organizer and repo maintainer.
